Continuation Sheet

Continuation of 7:

Per the decision by the Board of Patent Appeals and Interferences (BPAI) mailed September 21, 2006 the rejection of claims 14 and 16 presented by the examiner in the Office action mailed November 9, 1999 is AFFIRMED.

Per applicant's response filed November 21, 2006, applicant has accepted the decision of the BPAI and has request processing of claims 1-13 and return of the surrendered ribbon patent to applicant's representative.

Claims 1-13 are the only remaining claims in the application. These claims 1-13 are identical in claim language and claim scope as claims 1-13 of the original patent (U.S. Patent No. 5,105,731). Further, no other differences exist in this reissue application relative to the original patent. Therefore, no correctable error under 35 USC § 251 exists in this reissue application.

The Office will not grant a reissue patent which does not correct any error in the original patent.

Accordingly, because the period for seeking court review of the September 21, 2006 BPAI decision has expired, and pursuant to this decision, no claims stand properly allowed in this reissue application, the reissue application is ABANDONED.

Per applicant's request filed November 21, 2006, the surrendered ribbon patent is hereby returned to applicant's representative.
